

## HER LOSS

Many a woman with real possibilities of "Style," sacrifices those possibilities on the altar of a bargain counter when she buys cheap shoes.

For just a few cents more she might have had the "Style of a Dorothy Dodd" Shoe!

But to save these few cents she pinches her feet, crowds them, risks corns, endures discomfort, and loses the whole element of style at a most important point in her costume.

Some business houses haven't a Telephone because they say they don't need it. Others haven't any Teletypewriter, because they have gotten along for fifty years without one and don't see the necessity of it. Morse, Bell, Howe, Whitney and others had a hard time to get a hearing, but they were all time savers. WE ARE TIME SAVERS, and the time we save you in one day by using our RUBBER STAMPS would pay for themselves a dozen times. Telephone or send your orders for Rubber Stamps, Stencils, Seals or Stock Certificate. We are always glad to quote you prices.
